Final Instructions

Thank you for your entry to the Witney Motor Club Autocross 2011, a provisional entry list is enclosed.

1. For those who have requested to pay on the day could you please pay by cheque if possible as our SOM does not like having large quantities of cash all weekend!

2. Competitors are to run as much as possible in class order however where logistics are difficult, partially with double driven cars. It would be appreciated if common sense were applied when queuing to fit in with suitable cars. Please bear in mind, we have a long course.

3. We will be running 2 then 2. We would like to assist with your pleasure and enjoyment and are flexible on the policy. Rally cars will be permitted to run singly

4. On Health & Safety Grounds there are no Motorbikes, MiniMoto's or Quad Bikes allowed at any time.

5. We really look forward to seeing you at the weekend and hope you really enjoy your weekend, we are of the philosophy that you are coming to enjoy yourself and we will make every effort to see this happens.

6. There will be a Fish & Chip Van turning up between 6.00Pm on Saturday Evening, ideal for your evening meal!

7. For those of you that came last year, we are using a different field, same entrance, follow the arrows, will be arrowed from M40 Junction 9!

8. Amendments to the officials for the meeting are; Chief MSA Scrutineer - John Phillipson

Posh Toilets will be on site.
Fish & Chip Van on site 6pm on Saturday
Please take your litter home with you.
Pets must be kept on a lead at all times whilst the event is "live".
Camping at the venue will be allowed the night before and after.

We have been asked why we have asked for compulsory donations and why it was not just included in the entry fee?
Well it is to promote the goodwill of our landowners, Jimmy Milligan, Derek & Kate Hedges! We are in our 8th year now (I think) and we haven't paid a penny to the landowners, the agreement has been a significant donation to their chosen charity.
We wanted to promote this fact, and in agreement with the landowners, it seemed a good idea that as at least £10 of each entry is going to charity, we made this clear as we didn't want to say voluntary donations as we would risk many not donating.

Vaux shop was first established in 1995 by Steve Barnett and Mark Hingston, who have many years experience working with Vauxhalls and the Motorsport Industry.

Vaux shop has grown to become one of the U.K's largest Vauxhall Performance and Service specialist, offering everything from a wide range of accessories to performance and rally car preparation.

Our workshop is fully equipped with the latest and most up to date equipment, including laptop induction mapping for vehicles fitted with throttle bodies and also Vauxhalls Tech 1 and Tech 2, for in depth and routine diagnostic repairs for all Vauxhalls including the latest range.

We also compete in tarmac rallies with a Vauxhall Nova, powered by the 2.0 16v XE engine, the car has been developed over the years to become extremely competitive.
