SR 19. Competitors will have one practice run of 3 laps and 3 timed runs of 4 laps, should time and conditions permit on Saturday and 4 timed runs of 4 laps should time and conditions permit on Sunday. The fastest time each day will be added together to count towards overall results.

2. We have several double entered cars so we will not be enforcing – you must run in class order. We would request the double driven cars are first up to the start to allow good time for driver change.

3. Any road going car in any class will be allowed to start singularly, we appreciate we have a stony venue! However we would actively encourage 1 & 1, ½ a lap behind to keep things moving. The remainder we still would like to run 2 & 2. As the first bend is to the right it is suggested that when approaching the start Rear Wheel Drive Cars approach on the left.

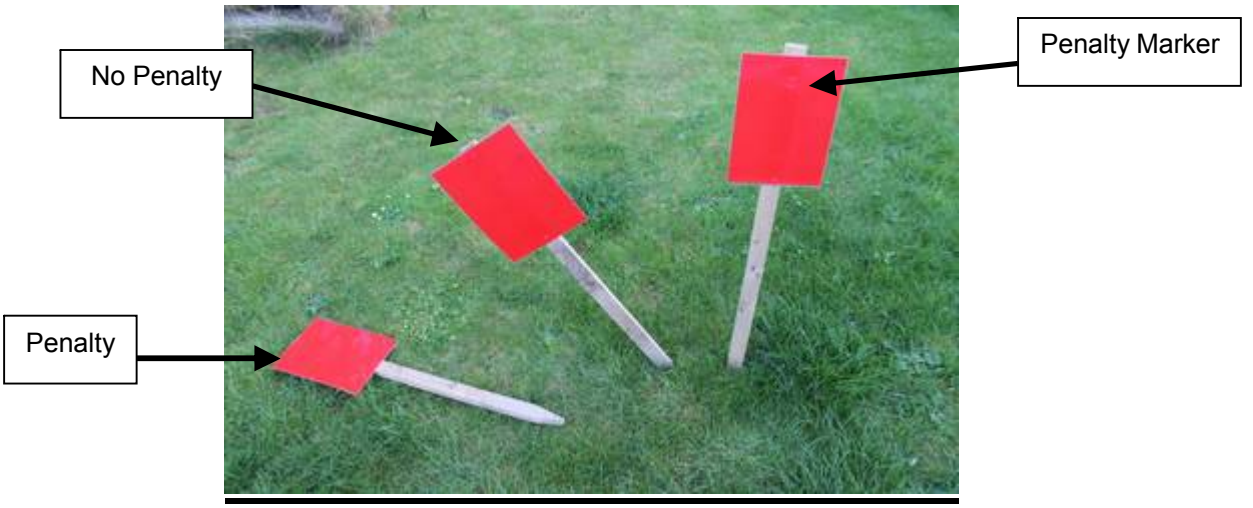

4. Strictly No Mini Moto's, quads etc in paddock. If you use tent pegs, could you please make sure to take away as many as you brought, they puncture tractor tyres.

5. Please follow arrows to venue – not through farmyard. For those of you who know the venue – as of today same field as last year.

6. 4 wheels off in practice wait and re-join when safe to do so. 4 wheels off on timed runs, clear track, wait until the end of run and proceed back to paddock.

7. See Penalty Marker Policy below, Marker posts will not be replaced whilst the course is live. If a marker is down and a competitor blatantly cuts a penalty will be applied.

8. MSA Steward: Malcolm Neill

Please find attached entry list and Menu for our own catering which you will see is very reasonable.

Refreshments will be available from a caterer in the paddock, please support this facility (Menu Attached).

Posh Toilets will be on site.

Fish & Chips will be available at 6pm on the Saturday evening.

Please take your litter home with you.

Any pets must be kept on a lead at all times the event is live.

Camping at the venue will be allowed the night before and after.

Music & Quiz will be available on the Saturday evening.

The 400 metre Grand Prix circuit at Formula Fast has been specifically designed, by a Formula 1 engineer, to both challenge your ability behind the wheel and exploit the amazing handling and speed capabilities of your kart.

We're simply here to offer you top quality irrigation products, used by professional installers across the globe, and the tools you need to design your own system. We understand that all you want to do is water your garden more efficiently; at night when it's most economic, and as often as needed to keep your plants blooming when it's dry. And to save your precious time and protect your investment.

VauxShop

Vauxshop was first established in 1995 by Mark Hingston, who has many years' experience working with Vauxhalls and the Motorsport Industry.

Vauxshop has grown to become one of the U.K's largest Vauxhall Performance and Service specialists, offering everything from a wide range of accessories to performance and rally car preparation.

Our workshop is fully equipped with the latest and most up to date equipment, including laptop induction mapping for vehicles fitted with throttle bodies and also Vauxhalls Tech 1 and Tech 2, for in depth and routine diagnostic repairs for all Vauxhalls including the latest range.

We also compete in tarmac rallies with a Vauxhall Nova, powered by the 2.0 16v XE engine, the car has been developed over the years to become extremely competitive.
