Final Instructions

1. We have several double entered cars so we will not be enforcing – you must run in class order. We would request the double driven cars are first up to the start to allow good time for driver change.

2. Any road going car in any class will be allowed to start singularly, we appreciate we have a stony venue! However we would actively encourage 1 & 1, ½ a lap behind to keep things moving. The remainder we still would like to run 2 & 2. As the first bend is to the right it is suggested that when approaching the start Rear Wheel Drive Cars approach on the left.

3. Strictly No Mini Moto's, quads etc in paddock. If you use tent pegs, could you please make sure to take away as many as you brought, they puncture tractor tyres.

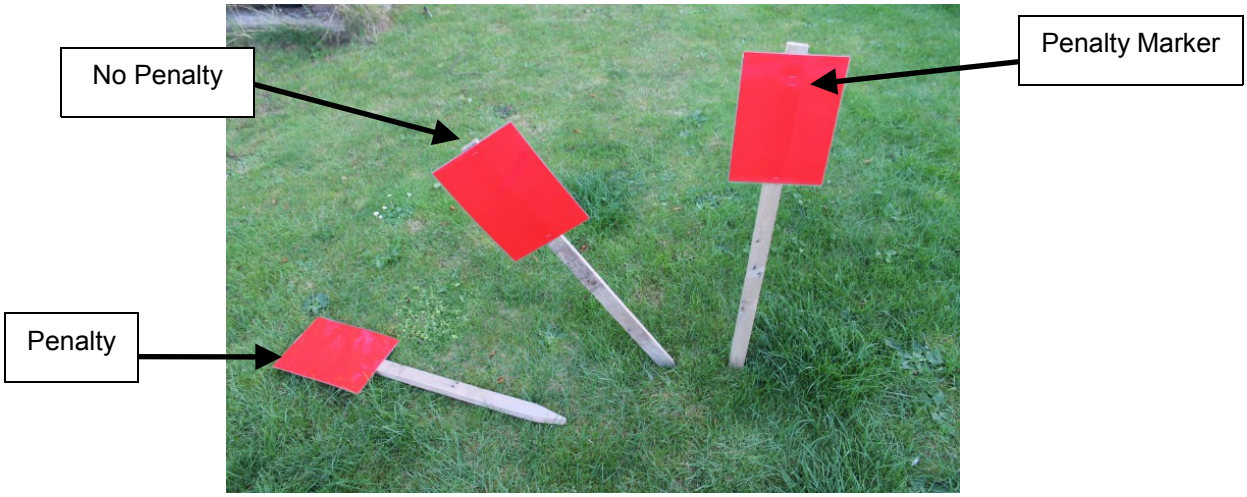

4. Please follow arrows to venue – not through farmyard.

5. 4 wheels off in practice wait and re-join when safe to do so. 4 wheels off on timed runs, clear track, wait until the end of run and proceed back to paddock.

6. See Penalty Marker Policy below, Marker posts will not be replaced whilst the course is live. If a marker is down and a competitor blatantly cuts a penalty will be applied.

7. MSA Steward: Maitland Cook
Clerk of Course: Claire Sutton
